

National Institute of Foreign Trade.

Certificate Course on Goods and Service Tax (GST).

About Certificate Course:

The Certificate Course on **Goods and Service Tax (GST)** aims to provide specialized and updated knowledge in the area of GST by skilling students and industry members.

The certificate course in GST is an advanced level course and shall test a candidate's knowledge of various concepts of GST along with the transitional issues.

Introduction: Goods & Services Tax (GST) is a comprehensive indirect tax Levied on goods as well as services at the national level. GST is a consumption based tax levied on the basis of "Destination principle." It is an inclusive tax regime, to be collected on value-added at each stage of the supply chain, with taxes on inputs credited against taxes on output. Its main objective is to consolidate multiple indirect tax levies into a single tax regime and eliminate the cascading effect. The GST domain includes varied concepts from registration, payment, returns, refunds, classification and valuation, place and time of supply, input/output credit, and compliance system along with various other new concepts. GST is a proactive step towards a vivid opportunity for the country. It will redefine Indian economy on the international front as "one tax and one market".
