

NATIONAL INSTITUTE OF FOREIGN TRADE DUAL QUALIFICATION

“ADVANCED CERTIFICATE IN SUPPLY CHAIN MANAGEMENT” (SHIPPING & LOGISTICS)

(Recognised by IMC Chamber of Commerce & Industry)

CERTIFICATE COURSE ON CUSTOM CLEARANCE AND FREIGHT FORWARDING.

Introduction: The objective of this course is to acquaint the participants with practical knowledge, which would help them to become Manager, Executives in Shipping, Logistics, Import, Export, Freight Forwarding Companies.

In the present scenario there are better business opportunities, excellent job offers for trained people in the field of World Logistics, International Transportation, Warehousing etc. These opportunities otherwise are not available to untrained people due to lack of knowledge and awareness.

About Course: This course is developed to meet the need, designed to develop the skills of professionals, from all links of International Trade Supply Chain, like Traders, Third party logistics service providers (3PLSP), Transporters / Carriers, Multimodal Transport operators, Warehouse operator, Container Freight Station operator, Inland container Depot operator etc. It is also an ideal introduction to the International Trade supply chain for those who wants to job in Logistics, Supply Chain, want to start shipping Logistics business or who is in business.

For Whom?

Anyone, those who are looking for better career opportunities in the World Logistics, International Transportation, Warehouse, Inventory etc.

Career in Supply Chain Management:

Supply Chain Management (SCM) is the next big thing in the Indian Industrial scenario. According to Management Experts there is lot of scope for Supply Chain Management, in India due to increasing uncertainty of supply, network globalization of business, proliferation of product variety and shortening of product life cycles. The employability potential of students is very high in Supply Chain Management – SCM.

NIFT –India offers dual qualifications in single Course Fee ie

Advanced Certificate in Logistics and Supply Chain Management.
